## Use case 4.1: Logged as admin, send a rebranding notification

### Description

Run a procedure to notify the existing users of the rebranding. The system must guarantee that the process is run only once.

### Access

Log in to the system with an existing user of admin (admin/admin).

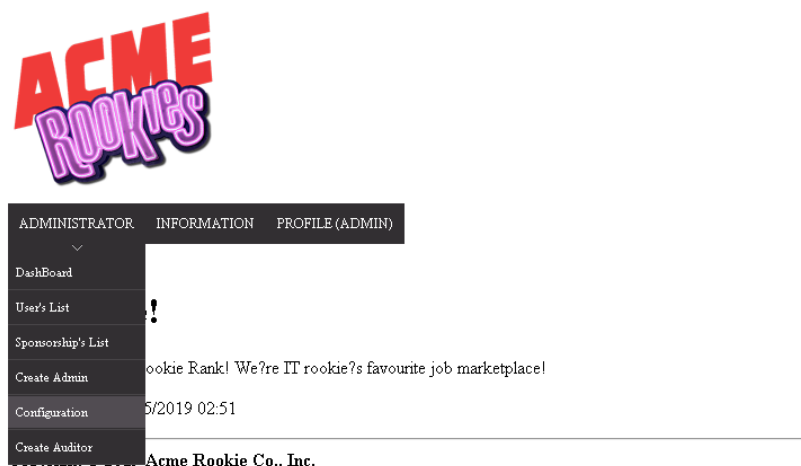

**Homepage > Header Menu > Login**

The screenshot shows the ACME Rookies website. At the top is the logo 'ACME Rookies' in red and purple. Below it is a dark navigation bar with 'LOGIN', 'REGISTER', and 'INFORMATION' in white. Under 'LOGIN', there are links for 'en' and 'es'. The main heading is 'Login'. Below this is a form with 'User name:' containing 'admin' and 'Password:' with masked characters. A 'Login' button is at the bottom of the form. At the very bottom, a copyright notice reads 'Copyright © 2019 Acme Rookie Co., Inc.'

Browse through the available positions. Use the search form.

**> Header Menu > Display the "ADMINISTRATOR" options > Configuration**

The screenshot shows the ACME Rookies website with the Administrator menu open. The logo 'ACME Rookies' is at the top. The navigation bar has 'ADMINISTRATOR', 'INFORMATION', and 'PROFILE (ADMIN)'. The Administrator dropdown menu is expanded, showing options: 'DashBoard', 'User's List', 'Sponsorship's List', 'Create Admin', 'Configuration', and 'Create Auditor'. The 'Configuration' option is highlighted. The main content area shows a message: 'Rookie Rank! We're IT rookie's favourite job marketplace!' and a timestamp '5/2019 02:51'. At the bottom, the copyright notice 'Copyright © 2019 Acme Rookie Co., Inc.' is visible.

And go to the end of the page

Welcome to Acme rookie Rank! We're IT rookie's favourite job marketplace!
